

A general description of the refrigerating appliance with direct sales function model, sufficient for it to be unequivocally and easily identified:

D372M4C

Product specifications

General product specifications:

Parameter	Value	Parameter	Value
Annual energy consumption (kWh/a)	1038.43	Standard annual energy consumption (kWh/a)	1598.92
Daily energy consumption (kWh/24h)	2.845	Ambient conditions	25°C / %60 Rh
M	2.1	N	0.006
Temperature coefficient (C)	1	Y	380.10
P	1	Target temperature (Tc) (°C)	5.0
Climate class factor (CC)	1.05
